

Curriculum Vitae

Dr. Huana Marin

Near native/ fluent languages: Roumanian, English, Swedish

June 2016- at present	Registered and licensed with right to practice Medicine in Romania Continued registration and licence to practice in Sweden and United Kingdom
March 2015- at present	Honorary Senior Lecturer , Division for Digestive Health at the Royal Free Hospital in the scope of multidisciplinary care of <u>headache patients</u> with refractory headache syndromes and treatment- resistant gastro-intestinal manifestations
February 2015- at present	Honorary Specialist Assistant and Honorary Lecturer in Neurology King's College Hospital, Neurology Department King's College London, Clinical Neurosciences
June 2014-February 2015	Headache Speciality Doctor and Honorary Lecturer in Neurology King's College Hospital, Neurology Department King's College London, Clinical Neurosciences
January 2011- May 2014	Neurology Registrar and Senior Research Fellow Clinical Neurosciences Department The Neurology Department at the Royal Free Hospital, London UK
Decc 2004-Dec. 2010	Clinical Neurology Research Registrar and Senior Clinical Neurology Fellow, subspecialising in Cephalgias (headache disorders) The Institute of Neurology Queen Square, London, UK and The National Hospital for Neurology and Neurosurgery, Queen Square, London UK
May 2004-October 2004	Locum Psychiatry Registrar Department of Psychiatry, Malmoe University Hospital
August 2003- March 2004	Neurology Registrar Final rotation of The Department of Neurology Neurology training Malmoe University Hospital

June 2001-July 2003	Neurology Registrar The Department of Neurology, Malmoe University Hospital	
	June 2001-August 2001	Neurology Department
	September 2001-November 2001	Internal Medicine Department
	December 2001-February 2002	Surgery Department
	March 2002-June 2002	Neurology Department
	July 2002-September 2002	A&E Department
	October 2002-December 2002	Psychiatry Department
	January 2003-June 2003	General Practice
June 2000-July May 2001	Senior House Officer The Department of Neurology, Malmoe University Hospital	
June 1999-August 1999	Locum Senior House Officer Department of Psychiatry Malmoe University Hospital	
August 1993-June 2000	Medical studies at Faculty of Medicine, University of Lund	
September 1990-June 1993	High-school Malmoe Latin Skola, the scientific section	

Publications include:

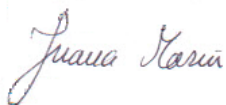

1. Marin J, Stefanovic A, Ganrenbein AR, Paemeleire K, Kaube H, Goadsby PJ. Nociception- specific blink reflex: a double- blinded placebo- controlled pharmacological study in 21 healthy males. *Cephalalgia*. 2007;27:737- 8.
2. Marin JCA, Kinsella E, Kaube H, Goadsby PJ. A double- blinded, placebo- controlled, crossover study of ketamine, fentanyl and diazepam in experimental pain in 21 healthy males. *Neurology*. 2008;70(Suppl 1):A355.
3. Burns BJ, Marin J, Goadsby PJ. Mechanisms of occipital nerve stimulation (ONS): a double blind, placebo controlled crossover study using naloxone and flumazenil. *Neurology*. 2009;72(Suppl 3):A177.
4. Marin JCA, Goadsby PJ. Response of primary stabbing headache to occipital nerve stimulation (ONS). *Cephalalgia*. 2009;29(Suppl 1):110.
5. Marin JCA, Kinsella E, Goadsby PJ. A double- blinded, placebo- controlled, crossover study of ketamine, fentanyl and diazepam in experimental pain in 21 healthy males. *Neurology*. 2009;72(Suppl 3):A211.
6. Goadsby PJ, Marin JC. Response of short- lasting primary headaches to occipital nerve stimulation (ONS). *Journal of Headache and Pain*. 2010;11(Suppl 1):19.

7. Marin JCA, Goadsby PJ. Glutamatergic fine tuning with ADX- 10059- a novel therapeutic approach for migraine? *Expert Opinion in Emerging Drugs*. 2010;19:555- 61.
8. Marin JCA, Goadsby PJ. Response of SUNCT (short- lasting unilateral neuralgiform headache attacks with conjunctival injection and tearing), SUNA (short- lasting unilateral neuralgiform headache attacks with cranial autonomic symptoms) and primary stabbing headaches to occipital nerve stimulation (ONS). *Neurology*. 2010;74(Suppl 2):A321.
9. Nesbitt A, Marin J, Goadsby PJ. Treatment of hemicrania continua by non- invasive vagus nerve stimulation in 2 patients previously treated with occipital nerve stimulation. *Journal of Headache and Pain*. 2013;14(Suppl 1):P230.
10. Nesbitt AD, Marin JCA, Tomkins E, Ruttledge MH, Goadsby PJ. Non- Invasive Vagus Nerve Stimulation for the Treatment of Cluster Headache: A Cohort Study. *Cephalalgia*. 2013;33(Suppl 8):107.
11. Nesbitt AD, Marin JCA, Tomkins E, Ruttledge MH, Goadsby PJ. Non- invasive vagus nerve stimulation for the treatment of cluster headache: a case series. *Journal of Headache and Pain*. 2013;14(Suppl 1):P231.
12. Bose P, Marin J, Nesbitt A, Lowe J, Goadsby PJ. Indomethacin test usage at united kingdom tertiary centres over 20 years- an audit. *Cephalalgia*. 2015;35(6S):98.
